Venue

BANGKOK, THAILAND

Thailand is situated in the heart of Southeast Asia. Bangkok, Thai Krung Thep, city, capital, and chief port of Thailand. It is the only cosmopolitan city in a country of small towns and villages and is Thailand's cultural and commercial center.

Bangkok is one of the world's top tourist destinations. Bangkok was also named "World's Best City" by the magazine's survey. As the main gateway through which visitors arrive in Thailand, Bangkok is visited by the majority of international tourists to the country. Bangkok's multi-faceted sights, attractions, and city life appeal to diverse groups of tourists. Royal palaces, temples, and several museums constitute its major historical and cultural tourist attractions. There are also other interesting places in Bangkok, such as palaces, parks, and various shopping centers. Shopping and dining experiences offer a wide range of choices and prices.

The city is known for its street life and cultural landmarks, as well as its red-light districts. The Grand Palace and Buddhist temples, including Wat Arun and Wat Pho, stand in contrast with other tourist attractions such as the nightlife scenes of Khaosan Road and Patpong. There are so many tourist attractions in Bangkok that attract tons of people worldwide, and there are numerous destinations around the region. The metropolis provides tourists with essential elements (especially 24-hour street food everywhere), diverse lifestyles, and unique experiences, making it one of the best destinations in Southeast Asia.

Past Event Report

About Past Event:

Scientex Conference successfully hosted its first series on the “**International Conference on Primary Care and Public Healthcare**” at City Seasons Dubai Hotel, Dubai, UAE during **May 22-23, 2023**. The conference was organized with a theme focused on “**Contribution of Innovative Advancements in Primary Care Health Services**” and it was a great success where eminent keynote speakers from various universities addressed the gathering.

The generous response and active participation of the Organizing Committee Members played a major role in the success of the Primary Care Conference 2023. On another hand, we take the opportunity to thank all the speakers, delegates, and participants for providing their valuable support and time for the conference.

Primary Care Conference 2023 Organizing Committee would like to thank the session chairs Dr. Idah Mzama, Catholic University of Malawi, Malawi, and Dr. Krishi Gowdra Revannasiddappa, Zulekha Hospital, United Arab Emirates, and Dr. Hala Elsharaky, Alorf Hospital, Kuwait for making the sessions such a worthwhile experience. Also, we would like to thank the Moderator of the conference, Dr. Shikha Mankotia, Uttarakhand Open University, India who contributed a lot for the smooth functioning of this event.
