SCAN ME

Welcome

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives.

Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges.

Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide.

About Conference

Following the remarkable success of **Primary Care 2026** held in Kuala Lumpur, Malaysia, we are delighted to announce the **5th International Conference on Primary Care and Public Healthcare**, scheduled for **April 19-20, 2027**, in **Paris, France**. Centered around the theme, "*Future-Ready Healthcare: Advancing Primary Care and Public Health*," the conference will bring together leading clinicians, researchers, academicians, nursing professionals, healthcare experts, and students from around the world.

The event aims to provide a global platform for sharing innovative research, emerging healthcare trends, and practical approaches that improve patient care and public health outcomes. Participants will engage in keynote sessions, scientific discussions, networking opportunities, and collaborative exchanges with experts across diverse healthcare disciplines.

Primary Care 2027 promises to inspire meaningful connections, encourage interdisciplinary collaboration, and contribute to the advancement of global healthcare and public health practices. [\(click here for more\)](#)
