Past Event Report

About Past Event:

Scientex Conference successfully hosted its first series on the “**International Conference on Primary Care and Public Healthcare**” at City Seasons Dubai Hotel, Dubai, UAE during **May 22-23, 2023**. The conference was organized with a theme focused on “**Contribution of Innovative Advancements in Primary Care Health Services**” and it was a great success where eminent keynote speakers from various universities addressed the gathering.

The generous response and active participation of the Organizing Committee Members played a major role in the success of the Primary Care Conference 2023. On another hand, we take the opportunity to thank all the speakers, delegates, and participants for providing their valuable support and time for the conference.

Primary Care Conference 2023 Organizing Committee would like to thank the session chairs Dr. Idah Mzama, Catholic University of Malawi, Malawi, and Dr. Krishi Gowdra Revannasiddappa, Zulekha Hospital, United Arab Emirates, and Dr. Hala Elsharaky, Alorf Hospital, Kuwait for making the sessions such a worthwhile experience. Also, we would like to thank the Moderator of the conference, Dr. Shikha Mankotia, Uttarakhand Open University, India who contributed a lot for the smooth functioning of this event.
